Things to collect over the new year:

Greene King is running 'Tub2Pub', a recycling campaign to raise money for Macmillan Cancer Support and recycle plastics. From 1 January - 11 February 2024, its pubs, restaurants, and hotels will accept your clean and empty:

- Confectionery tubs
- Biscuit tubs
- Cracker tubs

After 11 February, all tubs will be collected and taken to a plastic reprocessing centre where they're shredded, before being sold onto plastic manufacturers to use in place of virgin plastics. All money raised from the sale of Tub2Pub plastics will be given directly to Macmillan Cancer Support.

Bring them to church during January and Phil will take them to the Robin Hood in Cherry Hinton.

Kidney Care

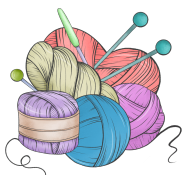

Please don't forget to save all your postage stamps from all those Christmas cards that you get, and any unwanted coins left over from your summer holidays. Many thanks, Pauline.
