Sawston Free Church

5<sup>th</sup> November 2025

Dear Rev'd Nevard,

I am writing to say a heartfelt thank you to everyone at Sawston Free Church who so generously contributed to your recent Harvest collection for Jimmy's. We are deeply grateful for your continuing support of our work with people experiencing homelessness in Cambridge.

Your kindness helps ensure that those who come to Jimmy's can receive nourishing meals, access to essentials, and a safe, welcoming place to stay. Beyond meeting immediate needs, your support gives individuals the stability and encouragement they need to rebuild their lives.

Last year, thanks to donors like you, we provided 40,000 meals across our services and accommodations. Every gift—whether food, financial, or time—helps create pathways to independence, personal growth, and dignity for people in need.

As one resident shared: *"Jimmy's gave me emotional help, stability, and the support to get my life back on track."* Your donation directly contributes to stories like this, making a tangible impact in people's lives.

From all of us at Jimmy's Cambridge, thank you for helping transform harvest into home.

Yours sincerely
